Dear CertainTeed Residential Roofing Customers:

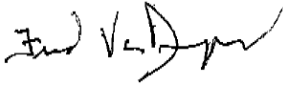

Residential Roofing Products Price Increase:
Effective February 28, 2011

We have experienced substantial increases in the costs of operating our plants, including but not limited to the price we pay for asphalt. As a result, CertainTeed will increase prices on all residential roofing products up to 7% effective, February 28, 2011.

Orders shipped on or after February 28, 2011 will be invoiced at the new price, regardless of the order entry date. Your CertainTeed Residential Roofing Territory Manager will contact you with specific price increase amounts, by product, and will be happy to answer any additional questions that you may have.

We appreciate your continued support of CertainTeed Roofing.

Sincerely,

Fred Van Dongen
Vice President, Sales
