Dear CertainTeed Residential Roofing Customers:

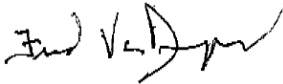

**US Residential Roofing Products Price Increase:**  
**Effective September 5, 2011**

Raw material and transportation costs associated with producing roofing continue to escalate. As a result, CertainTeed will increase prices on all residential roofing products by up to 8% effective September 5, 2011.

Orders shipped on or after September 5, 2011 will be invoiced at the new price, regardless of the order entry date. Your CertainTeed Roofing Territory Manager will contact you with specific price increase amounts, by product, and will be happy to answer any additional questions that you may have.

We appreciate your continued support of CertainTeed Roofing.

Sincerely,

Fred Van Dongen  
Vice President, Sales
