Dear CertainTeed Roofing Customers:

## **Residential Roofing Products Price Increase:** **Effective May 24, 2010**

Over the past few months we have experienced substantial increases in the costs of operating our plants, including but not limited to the price we pay for asphalt. As a result, CertainTeed will increase prices on all residential roofing products 5% to 7% effective, May 24, 2010.

Orders shipped on or after May 24, 2010 will be invoiced at the new price, regardless of the order entry date. Your CertainTeed Roofing Territory Manager will contact you with specific price increase amounts, by product, and will be happy to answer any additional questions that you may have.

At CertainTeed, we will continue to focus on controlling costs and providing high quality products and service. We appreciate your continued support of CertainTeed Roofing.

Sincerely,
