NATIONAL ANNOUNCEMENT **STEEP SLOPE ROOFING PRICE INCREASE**

JUNE 1, 2010 PRICE INCREASE

April 22, 2010

Dear Customers:

Due to the continued escalation of product and transportation costs, GAFMC is announcing a price increase.

Effective June 1, 2010, there will be a price increase of **7%** on all steep slope roofing and accessory products. The price increase will take effect with shipments on June 1, 2010, regardless of order entry date. As we approach June 1, we will communicate specific price increases by product. As always, we will continue to monitor costs and support our customers with quality products and services at a competitive price.

If you have any questions concerning this increase please contact your local Territory Manager, National Account Manager or Sales Manager.

Thank you for your continued support.
