At a luncheon held Dec. 20, 2017, the Winston-Salem Chamber of Commerce presented its monthly Salute to Business Award to Smith Phillips Building Supply. This award is given in honor of the recipient's support of the Chamber and the community.

Smith Phillips has maintained a long tradition of giving back to the community that supports the business. Through the years, the company and its management team have actively supported local organizations such as Habitat for Humanity, United Way, Brenner Children's Hospital, the SECU Family House and local schools and universities. It has also been an active member of the Chamber of Commerce for many years.

Smith Phillips Building Supply is locally-owned and is one of the oldest continuously operating lumber and building materials retailers in Winston-Salem. The company has served the Piedmont since 1880 and operates two stores: a branch store in Statesville and the main lumberyard, showroom and offices in Winston-Salem.
